

## Anthony Acosta's BIO

With more than 30 years of IT related experience, Anthony Acosta founded Acosta Technologies, Inc. in 2001. Acosta is known for utilizing the powerful combination of technical knowledge, expertise and excellent customer service. His clients readily refer to him as professional, meticulous, first class and a pleasure to work with.

A native of Tampa, Florida, Acosta graduated with honors (cum laude) as a member of the 1978 class of FAMU with a Bachelor of Technology degree in Data Processing. His minor was Business Administration. Acosta's technological skills were nurtured early in his educational career, as he took advantage of the opportunity to participate in a nine month co-op program with General Motors Pontiac Motors Division.

Upon graduation, his name was already reputable, yielding 21 job offers out of 30 plant visits. Prior to beginning Acosta Technologies, Acosta honed his skills and shared his expertise with Control Data Corporation, Accurate Information Systems, the Florida Department of Labor, West End Medical Center and BellSouth Telecommunications.

Acosta Technologies specializes in putting highly qualified technical people to work nationwide. The company has placed candidates at such companies as AT&T, Verizon, IBM, PG&E, Lockheed Martin and more. Acosta technologies also offers It Consulting and Outsourced Services

Acosta is greatly committed to community service, and as such is an active member of the Atlanta Business League, Metro Atlanta Chamber of Commerce, Georgia Minority Supplier's Development Council and the Decatur Chapter of Kappa Alpha Psi Fraternity. He also serves on the Georgia Department of Juvenile Justice Transition Board.

Acosta is married to Jackie Acosta, who is also a part of the Acosta Technologies team. He is the proud father of 2 children, Alexander (24) and Zandria (15), and he is an active and faithful member of New Mercies Christian Church in Lilburn, GA.
